

Joshua Moran

Objective	Obtain a software engineer position that utilizes my critical thinking and coding skills.		
Education	April 2022-October 2022	Georgia Tech University	Atlanta, Georgia
	Certificate Georgia Tech Coding Boot Camp <ul style="list-style-type: none"> Full stack of coding languages and frameworks, including front end development, database development, server-side development, quality assurance and deployment. Coding Languages: JavaScript, HTML, CSS 		
	2016-2017	Roehampton University	London, UK
	Master of Research Primate Biology, Behavior, and Conservation <ul style="list-style-type: none"> Graduated with honors Thesis: "Reciprocity Mechanisms in Chimpanzees (<i>Pan troglodytes</i>)" Related Coursework: Research Methods in Biology Skills: Competent in using and interpreting SPSS and R outputs, social network analysis, and GIS analysis.		
	2011-2015	Emory University	Atlanta, Georgia
	Bachelor of Science <ul style="list-style-type: none"> First major: Neuroscience and Behavioral Biology Second major: Biology Related Coursework: Intro to inferential statistics with lab, life sciences calculus 1 and 2. Skills: R coding, Science writing and presentation skills, and conducting a literature search.		
Academic Presentations	Moran, J., Lehmann, J. (2020). <i>Reciprocity Mechanisms in Chimpanzees (Pan troglodytes)</i> [Conference presentation]. American Society of Primatologists 2020 Conference Denver, CO. (Conference Cancelled)		
Experience	2018-2022	Yerkes National Primate Research Center	Lawrenceville, Georgia
	Lead Research Specialist <ul style="list-style-type: none"> Conducted research utilizing computer-controlled feeders. Troubleshoot equipment including repairs and routine calibrations. Maintained databases of research subjects to meet USDA, NIH, and internal standards. Interfaced with other departments and assisted them with their research and day-day activities. Trained animal care technicians in proper husbandry for automated feeders. 		
	2015-2018	Duke University Talent Identification Program	Durham, North Carolina

Joshua Moran

Instructor

- Taught neuroscience and biological and chemical sciences courses to gifted middle and high school students.
 - Responsible for all lesson plans and laboratory preparation.
 - Coordinated with teaching assistant and administrative staff.
-

2013-2014

The Pet Clinic

Omaha, Nebraska

Veterinary Assistant

- Assisted veterinarians with a variety of medical procedures, such as holding during an exam, providing assistance during surgery, or filling prescriptions.
-

2012-2013

Emory University

Atlanta, Georgia

Lab Assistant - de Waal Lab

- Assisted in the collection and analysis of data for chimpanzee cognitive research.
 - Coded videos of experimental trials.
-

2012

Henry Doorly Zoo

Omaha, Nebraska

Zookeeper intern

- Cared for and fed a variety of animals in Madagascar exhibit.
 - Answered visitors' questions regarding the animals and the zoo.
-

2012

Chimp Haven

Keithville, Louisiana

Behavior intern

- Observed chimpanzees to ensure individual psychological well-being.
-

Interests

- Video Games
 - Sci-Fi and fantasy (Star Wars, Marvel)
 - Building PCs
-

Skills

- Computing skills in R, SPSS, and Microsoft Office products
 - Public Speaking and Instruction
 - Clear Writing and Communication
-
